

THE OCEAN RIDGE CHARITIES ASSOCIATION MEMORIAL GIVING FUND

*They loved and inspired us, cared for us, and influenced who we are.
They made an indelible impression upon our lives.*

They were a mom or a dad, a special aunt or uncle, a spouse or sibling, a neighbor or dear friend, a mentor, teacher or a valued colleague. Commemorate milestone birthdays of friends and loved ones. Along life's passage, they made a difference in who we are and they will always be in our memories.

To commemorate these extraordinary individuals and their lasting impact upon us, the Ocean Ridge Charities Association (ORCA) has established a **Memorial Giving Fund**. The purpose is to honor their memory through your special gift in their name to one of the Brunswick County charities that ORCA supports.

Your community charity--ORCA-- supports over thirty local non-profits like those listed below. Your memorial fund contribution will be donated to the local Brunswick County charity or charities of your choice noted below. In addition to a gift **from an Ocean Ridge household or a property owner, ORCA will match your contribution dollar for dollar, up to \$100 per year.**

Once we've received your donation, we will send a memorial gift letter to the family of the person remembered advising them of your gift and noting the amount (including ORCA's match) as well as the beneficiary charity. Then we will send you a confirmation notice of your directed donation.

We hope that now or in the future you will consider the ORCA **Memorial Giving Fund** as the charity of choice for your memorial tax deductible donations. Please use the form below. For future donations, go to our website--www.orcharities.org to download this form and other information.

Thank you for your continuing support of ORCA. For more information about the ORCA **Memorial Giving Fund**, contact us at orcharities@gmail.com.

MEMORIAL GIVING FORM (PLEASE PRINT)
