

Giving to others is the true meaning of the Holiday Season.

On Sunday, December 4th, several Ocean Ridge residents opened their homes to other residents who saw amazing displays of Holiday decorating, creativity and a true love for what the season means.

The event raised money for Brunswick Electric's charity - the Warm Homes /Warm Hearts program - and the organizers of this event consider this weekend a major accomplishment for the community.

It is for that reason, we want to say: **THANK YOU.**

Thank you to the 6 homeowners on the Ocean Ridge Holiday Tour who welcomed neighbors into their beautifully decorated homes.

- **Thank you** to the 240 neighbors who supported the charity and enjoyed their neighbors' homes.
- **Thank you** to the ORMA Social Activities Committee for donating \$335 from the Tree Lighting Ceremony.
- **Thank you** to the ORCA sponsored Craft Show for donating \$450.
- **Thank You** to Brunswick Electric for matching our donation so that \$6370 will be donated to Brunswick Family Assistance so that others in our county will stay warm this winter.

Thank You
