OCEAN RIDGE CHARITIES EMERGENCY MEDICAL TECHNICIAN SCHOLARSHIP

Ocean Ridge Charities Association (ORCA) is proud to announce the establishment of the "Ocean Ridge Charities Emergency Medical Technician Scholarship", at Brunswick Community College (BCC). This scholarship will be awarded to a student pursuing their Emergency Medical Technician (EMT) certification beginning this Fall.

Claudia Piccarelli (treasurer) and Maggy Schlink (president) presented a check for \$8500 to Elizabeth Wassum, the head of the Brunswick Community College Foundation on behalf of the Ocean Ridge community. The money for this scholarship came from final donations made to Ocean Ridge Charity Association many months after the tornado. At the time of the tornado, many residents benefited from the skills and kindness of our local EMTs.

This scholarship represents an opportunity to invest in the future of emergency medical technicians in Brunswick County. Each semester, a \$500 scholarship will be awarded to a student pursuing an EMT certification. ORCA hopes to hold events in the future to add to the total of the donation. Individuals are encouraged to consider donating to this scholarship fund.

This is the second scholarship that Ocean Ridge Charities Association has at Brunswick Community College. The first was the Ocean Ridge-David Kelly Nursing Endowment, which provides a scholarship to a nursing student each semester. This program has helped many students finish their requirements and receive nursing degrees.
