

ORCA Trivia Night

Fifteen eight-person teams competed Saturday, March 21, at the **5th Annual ORCA Trivia Night**. When the final round was over, Team #1 emerged as the winner. Under the theme "**March Madness**," the contest ran for 8 rounds, covering questions relating to March, art, basketball and more. Randy Pelton was the Master of Ceremonies, assisted by Bill and Carol Wakefield. Dressed-up as crazy referees, they did not fail to entertain the crowd.

Five dollar bills were waved in the air as participants bought answers to many of the difficult questions and increased their donations to a good cause – New Hope Clinic. The clinic's mission is "to provide basic medical and dental care, diagnostic services and prescription drugs to low income, uninsured residents of Brunswick County and to enhance the quality of life, while preserving the privacy and dignity of every patient." As a result of Trivia Night, the members of ORCA are pleased to announce that over \$4,500 was raised for this worthy cause.

Mike Gildea, ORCA President, announced that the organization's annual report was over the \$100,000 mark. "This milestone wouldn't have happened without the generosity of Ocean Ridge Residents and the energy, vision and commitment of the Board of Directors."

Congratulations to the Chairperson of the Event, Maggy Schlink, and her Committee Members: Kathy Arancio, Liz Cermak and Amy Kelly, and all the wonderful volunteers that made this event happen!!
