

Ocean Ridge Charities Association donates to Habitat for Humanity

Contributed
 Last month, Ocean Ridge Charities Association gave \$2,200 to Brunswick County Habitat for Humanity, which in turn presented Mike Lynch, ORCA liaison to Habitat, a personalized book as a token of appreciation. Lynch had met earlier in the week with Carlo Montagano and Ashley Jordan of Habitat at their office on Stone Chimney Road in Supply. The book has four vignettes and pictures of families working on and moving into their new homes, a poignant reminder of ORCA charities' dedication to fulfilling their mission.
