ORCA Trivia Night

Bonsoir et bonne chance!

"April in Paris" marked the theme for this year's Trivia Night. The evening began with an introduction and a reading of the rules by Mike Gildea, including "have a good time." This year's Master of Ceremonies was a very special guest – Randy Pelton. Teams competed in 8 categories, which included "Name the Artist/Band", "Sports", "Presidents", yes, a category called "Paris".

Flying in straight from Paris was the trusted team of Inspector Jacques Clouseau and his pretty assistant, Pink Panther (a.k.a. Bill and Carol Wakefield.) Their job...keep the laughter rolling and the game crime-free. Alex and Lilia Kierez, from Beyond the Muzik Entertainment, provided the tunes for the music-based questions and entertainment overall. Pam and Joe Jaeger helped to coordinate the refreshment committee and made variety of delicious food platters.

After the last answers were totaled Team #10 reigned victorious. Team members were David and Kathy Stuart, Fred and Pam Bank, Allen and Judy Keegan, and Bob and Liz Cermak.

Mike Gildea, ORCA's President, addressed the participants and thanked the Ocean Ridge residents for their continued generosity. He announced that due to their support and the support of corporate sponsors, "by June 1st, ORCA will have donated a quarter of a million dollars to 36 local charities."

ORCA Trivia Night...continued

Between the teams attending, answers sold, the 50/50 and charitable donations, ORCA netted about \$3,900 on this event. All proceeds will be donated to the New Hope Clinic whose mission is to provide basic medical and dental care, diagnostic services and prescription drugs to low income, uninsured residents of Brunswick Count. The clinic was founded in 1998 when a small group of compassionate people with a noble vision joined together to provide the uninsured with basic medical care. That first year they operated out of a single room and treated 38 patients.
